REPORT OF CONFERENCE SUPERINTENDENT
W. Eddie Morris

Mr. Chairman and Members of the Conference:

I am glad that I retain a relationship with God that keeps heaven real in my soul, and a love in my heart for my fellowman.

There is nothing between God and me. While there are always difficulties to encounter, I can truthfully say this has been a blessed, good year in the work of the Lord. The men with whom I have worked have been considerate and cooperative.

My Work

I have traveled approximately seventeen thousand miles in the conference work; made 106 church visits; preached 145 times, gotten out 502 pieces of mail in connection with the conference work. I have assisted in eight tent meetings (in an advisory capacity); conducted all district conferences and conference board meetings; attended a regional conference in St. Augustine, Fla.; the General P. H. Y. S. Convention in Franklin Springs, Ga. and attended the General Conference in Jacksonville, Fla. I had the general oversight of the annual conference institute at Falcon. In the absence of General Director Virgil Gaither, I presided over the annual P. H. Y. S. Convention. I was in attendance at the Woman's Auxiliary Convention.

I received $3,659.00 for my services. This includes the amount received for one meeting held outside the conference. Five cents per mile has been paid me for 15 thousand miles of official travel. I have paid $365.90 tithes.

My word of exhortation is that each of us seek to know and then be willing to do the will of God. And that I exhort you to do, and I earnestly seek for myself.

Yours for a progressive conference,

W. Eddie Morris

We believe that the system of paying tithes and giving freewill offerings is the one and only plan God has instructed in His Word for His work. REPORT OF COMMITTEE ON WORLD MISSIONS

We, your Committee on World Missions submit the following:

To the Church of Jesus Christ has been committed the "Great Commission" to "Go ye into all the world, and preach the gospel to every creature". To fully carry out this charge, it is necessary that we recognize our obligation to all men, both at home and in the other countries of the world. And if we are to "lengthen our cords", so as to reach into all parts of the world, it is necessary that we "Strengthen our stakes" at home, in order to be able to continue our progress abroad. In view of these considerations we urge the following:

1. That we endorse and pledge our support to the General Church Program.

2. We recognize the splendid work of evangelism and church expansion in the N. C. Conference, and we urge that all pastors and evangelists continue to give special attention to this important phase of the work.

3. That in order to become the world-wide church that Christ has intended that we should be, we include in our Foreign Mission efforts our South American Neighbors and the islands of the seas, as well as Japan, Germany, Russia and war-torn countries, with regard to their position and attitude in the recently ended war.

4. For several years the N. C. Conference has been operating on the budget plan, and we feel that the merits of this system have been proven beyond doubt to be the best we have ever employed, and we urge the continuance of this plan.

5. We urge our pastors and evangelists to recognize their obligation to keep always before their people the need of world-wide evan-

gelism. We feel that it would not be too much for each pastor to preach on missions once every quarter at least.

Respectfully submitted,

J. W. Brooks
W. D. Adkins
Mrs. Mae Thomas

REPORT OF COMMITTEE ON EVANGELISM

We, your Committee on Evangelism submit the following:

1. We feel that the conference needs a full time evangelist on the field, and this man should be alert and enthusiastic, and that he give full time to new fields during the tent season, that he be provided with the necessary equipment, and where practical be provided with a party to help; that he also be qualified to take care of the equipment.

2. This should be selected by the conference official board.

3. Since the general conference has made the conference superintendent director of evangelism in his conference, we ask that he have a competent board to work with him, and that the conference board be given the authority to select this board, one director from each district, and that the board make the selection at a meeting immediately after the close of this session. In doing this we would save time that would be lost otherwise.

4. Let each district director have the direction over his district in the evangelistic activities in cooperation with the superintendent as chairman of the committee. Each one desiring a tent meeting call on the director and let plans be worked out to avoid conflict.

5. Let the conference board have charge of supplements and expenses of those who are working under their directions, and all who desire such benefits must act under the directions of the committee.

E. W. Downing

Mrs. Lessie Polston

14. Since the majority of our churches are rural and small town churches we recommend: (a) that if at all possible said churches shall provide a suitable house for the minister to reside in. In the event that the house is rented the rent shall not be deducted from his salary.

18. That the conference board consider the relocation of the conference parsonage and be empowered to investigate the purchase of a more adequate and convenient residence which may be acquired

after sale of the present house now used for conference parsonage.

19. That fans be purchased for the kitchen.

20. That a person be legally deputized to police the grounds during camp meeting and conference.

Report of Committee on Orphanage

Inasmuch as the Word of God commands us to be diligent in the care of the fatherless, and places this along with keeping our souls unspotted from the world; and having our own church institution, we feel that it is our bounden duty to pray for and cheerfully contribute to the Falcon Orphanage.

We submit the following:

1. That the local churches invite the orphanage class to visit them whenever practical.

2. Having seen wonderful results in following the adoption plan, we wish to encourage each church to participate in such plan when possible.

Report of the Committee on Public Morals

Because of the powers of darkness and the effective scheming of Satan's agents, it is imperative that we, a part of the great Church of Christ, arise with increased vigor to establish principles of righteousness.

We must find a plan that will counteract the cunning activities of the Alcoholic and Tobacco industries which are so effectively entwining the people of our day.

We urge that our stand against the evils of divorce be continued, and that special effort be made toward the preservation of the home as a godly heritage.

The basic principle of "Good Morals" being spirituality, we urge that every minister develop periods for prayer and fasting with the people whom they serve. There must be a genuine effort of "Seeking the Lord" if we are to survive and be a people with morals of the higher type.

Your Committee,

Hubert A. Morris, Chmn.,
Bailey C. Lewis,

Memoirs

We, your Committee on Memoirs, sympathetically submit our report:

It is written, "Precious in the sight of the Lord is the death of His saints." It is also found in the Word of the Lord, "From henceforth, yea saith the Spirit, that they may rest from their labors, and their works do follow them."

During this year our beloved Sister Beadie Noble received her promotion to glory after having been a Christian for many years. She was admitted into our conference at Durham in 1912. She loved the Lord, lived for the Lord and labored for Him, being faithful to the end. Her last months were days of suffering and blindness, but today she has a new body and perfect sight with which to honor and to see her blessed Savior. Many will rise up in that day and call her blessed.

This year has been promotion time for three of our ministers' wives and one of our minister's father. Mrs. J. B. Williams, wife of

the late Rev. J. B. Williams, and mother of the Rev. J. Floyd Williams; Mrs. J. G. Crocker, wife of Rev. J. G. Crocker; Mrs. E. S. Beasley, wife of Rev. E. S. Beasley. These dear women served their God, their church and their family, and then fell asleep in Jesus to await the blessed day of rewards.

Our sympathy is extended to Rev. W. W. Woodcock in the missing of his father, Mr. Rush Woodcock.

We, the North Carolina Conference sympathize with the above mentioned families, and greatly acknowledge the great contributions the deceased made to their conference. We, with sacred memories and sincere prayers await the day of reunion.

Respectfully submitted,

I. D. Dickens,
B. S. Mozingo,
Mrs. Effie Poland.

1. That the report of the Finance Committee of the general convention be complied with.

3. That expenses for traveling and correspondence for official duties of any conference official be guaranteed by the conference treasury.
4. That 5% of total receipts for the ensuing year be paid conference president.
5. That $5.00 per month be paid secretary for ensuing year.
6. That the following appropriations be made at this convention:

Amendment No. 1, by motion: That the secretary of this convention be paid $35.00.

Report of Committee on Publicity

We, your Committee on Publicity, recommend the following:

First, that a report of the Fifth Annual Session of the Woman's Auxiliary be sent for publication to the Conference Evangel and to the Advocate.

Second, that each auxiliary send in regular reports of their activities to the conference representative as often as possible.

Third, that a director be appointed by the executive committee from each conference district, whose duty shall be to promote the work of the Woman's Auxiliary, and with permission give a brief report of the work being done by the local auxiliaries, for encouraging the formation of new auxiliaries and exchange of ideas.

Fourth, we urge all our ministers to encourage the work of the Woman's Auxiliary in their churches.

Fifth, that all presidents of local auxiliaries put forth every effort possible to secure subscriptions from every member of their church to our conference Evangel and to the Advocate.

Sixth, that the name and address of both the President and Secretary of all auxiliaries be sent to the conference secretary of the Woman's Auxiliary immediately after the local election for the purpose of making up a mailing list whereby necessary information and news may be more accurately distributed.

Seventh, since our general auxiliary board has authorized the use

of program material, we suggest that said material be used if possible in each auxiliary.

Mrs. H. D. Marshburn,
Mrs. L. E. Peyton,
Mrs. R. H. Royal.

Report of Committee on Christian Service

1. We recommend that the family altar be maintained in every home, and due attention be given to consistent church attendance.
2. In this day of so much child delinquency, we urge that mothers give more attention to the children under their care.
3. We recommend the expansion of the visitation of the sick, in homes and hospitals, and the distribution of good, wholesome literature. We also recommend that greater interest be taken in personal work and soul-winning.
4. We urge our women to take a firm stand against intoxicating liquors, gambling, and the use of tobacco in any form.
5. We urge that each local auxiliary member join and work with the W. C. T. U. in her community, city, or state.

Mrs. Harvey Morris,
Mrs. S. J. Williams,
Mrs. Hubert Shirley.
